

Summary: Terms of Use

Don't have time to read the entire terms and conditions? We get it, those things are long. Don't worry, we got you covered. Here's a quick run-down of the key things you should know about it.

1. Purple Connect is a pro-bono volunteering platform that connects mentors and mentees according to their interests. We do not claim to be service providers of any kind of mentorship or counseling directly but serve as a channel for willing volunteers to be connected with those looking for mentorship.
 2. No provider-client relationship will be created. Purple Connect will only give mentees a list of possibly suitable mentors from which they can shortlist who they'd like to talk to.
 3. By signing up for the platform, you agree to the anti-harassment policy, privacy policy, and our zero tolerance for discriminatory behaviour and speech.
 4. Purple Connect will not charge for anything, and even when we help you connect to counselors, it will be on a pro-bono basis and no fees or commission will be charged for the same.
 5. You agree to not attempt unauthorized access to the website, its servers, data, or cause any interruption to its functioning.
 6. We reserve the right to terminate ties if we become aware of any breach of the terms of conditions or any other user policy.
